ATRIUM USE FOR THE PURPOSE OF LOUNGING

1. **Purpose:** To provide instruction on how to properly use the Davenport Atrium as a lounging space during COVID19 following the terms and conditions, and COVID19 Guidelines/[SOPs](#)

2. **Scope:** Applies to everybody at Lash Miller.

3. **Prerequisites:** Understanding of Social Distancing principles and COVID19 transmission (refer to Public Health Ontario for further information).

4. **Responsibilities:** Supervisors are responsible to enforce this SOP and Chemistry members are responsible to comply.

5. **Personal Protective Equipment (PPE)**

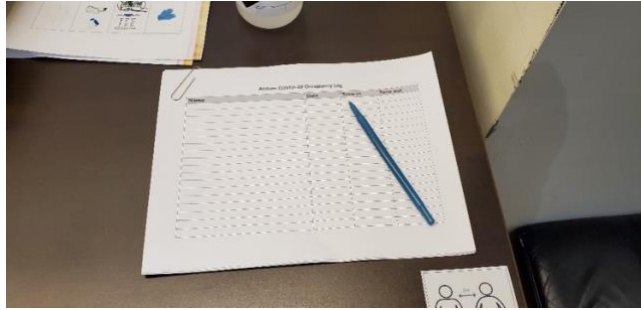

Face Mask:

Must wear at all times, except for when eating or drinking

6. **Procedure: describe step by step (as applicable for SOP)**

- 1) Atrium opened for lounging purposes for Chemistry members **only**.
- 2) **Contact tracing is mandatory.** Sign in using the logbook available at the disinfection station every time you use the Atrium. See photo below.

- 1) Distancing must be maintained **at all times**.
- 2) Masks are allowed to be removed for eating and drinking **only**. Once you have finished eating or drinking, the mask must be put back on. Limit the time you have your mask off.
- 3) Each table must be disinfected before and after each use, using disinfectant wipes provided on-location. See photo below.

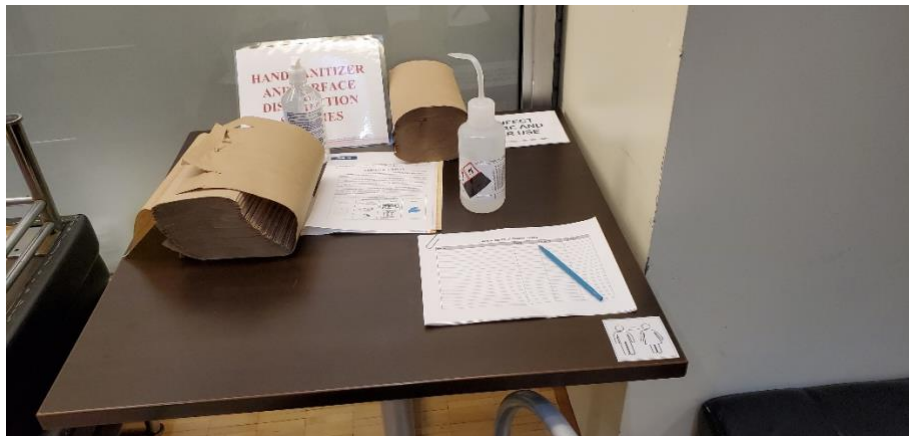

- 4) Tables **should not** be brought together. Keep distancing while eating/drinking.
- 5) Hand sanitizer must be applied before and after eating/drinking.

DO NOT MOVE FURNITURE

**Disinfect this table
before and after
each use**
