

## Course Enrollment Form for Continuing Students

Name:				Student #:			
Field of Study in Chemistry:	<input type="checkbox"/> Analytical	<input type="checkbox"/> Environmental	<input type="checkbox"/> Inorganic	<input type="checkbox"/> Organic & Biological	<input type="checkbox"/> Experimental Physical	<input type="checkbox"/> Theoretical Physical	
	<input type="checkbox"/> Polymers & Materials	<input type="checkbox"/> Interdisciplinary					

### A. Course Requirements

I have previously **COMPLETED** the following graduate courses: *(Lines 5 and 6 apply to Theoretical Physical CHM students.)*

	Course Title	Course Code	Core Course* ✓ (PhD only)	F/S Session
1				
2				
3				
4				
5				
6				

I have completed all of my program's course requirements. **Enroll in research and seminar courses.**

**Students must enroll in all courses, except for the seminar course, on-line through the Student Web Service, ACORN [www.acorn.utoronto.ca](http://www.acorn.utoronto.ca).**

### B. Course Selection

	Course Title	Course Code	Core Course* ✓	F/S/Y Session	Enrolled on ACORN ✓
	Thesis (automatic enrolment) <small>will be credited after submitting thesis to SGS</small>	RST9999Y	Automatic enrolment	Y	✓
1	Research in (see below)*	CHM	required	F & S	
2					
3					
4					
5					

*Research Course Codes	
Analytical	CHM2017H F and CHM2017HS
Environmental	CHM2531HF and CHM2531HS
Inorganic	CHM2031HF and CHM2031HS
Organic & Biological	CHM2047HF and CHM2047HS
Physical Chemistry	CHM2027HF and CHM2027HS
Polymers and Materials	CHM2304HF and CHM2304HS

### Seminar Courses

**The Graduate Office will enroll you in the seminar course. Please indicate the appropriate seminar series:**

- |   |  |   |
|---|--|---|
| <input type="checkbox"/> Analytical Chemistry                                       | <input type="checkbox"/> Environmental Chemistry | <input type="checkbox"/> Inorganic Chemistry            |
| <input type="checkbox"/> Organic/Biological Chemistry (Circle Bio or Org/Syn Group) | <input type="checkbox"/> Physical Chemistry      | <input type="checkbox"/> Polymers & Materials Chemistry |

\*Final Year PhD (ie. writing thesis to exit by December)  - does not require enrolment in a seminar course.
