### A. COURSE SELECTION

1. Review [MSc Program Requirements](#) or [PhD Program Requirements](#)
2. Check the [Course Timetable](#) for current offerings and the most up-to-date information
3. Discuss course selections with research advisor(s)
4. Students enroll courses online through [ACORN](#)
5. Take note of the (strict!) [SGS add and drop deadlines](#)

#### NOTES

- MSc students considering transfer to the PhD program in their second year must complete two 0.5 HCEs, excluding CR/NCR courses, research/seminar courses, and CHM3000H. There are no exemptions - [review guidelines](#).
- FIRST YEAR MSc or PhD students enroll in a research course *in the SECOND SEMESTER* of their program; January registrants will enroll in the fall.
