Summer Research Program
Supervisor Selection Form

This year Department of Chemistry has a special summer research program. Up to $5,625 (or $1875/month) in funding is available to start your research in the summer before your official start date in September.

Conditions/Eligibility:
- You must have confirmed your acceptance to the offer of admission from the Department of Chemistry by April 15;
- Secure a summer research supervisor;
- Minimum 6 weeks of research between May and August;
- Student must register in the Chemistry graduate program in September (May and January starters are ineligible);
- be a Canadian citizen or a permanent resident of Canada; and
- Repayment of an award is required if a student is in full-time (40 hours/week) attendance fewer than 6 weeks in the program, withdraws from the summer program or fails to register in the graduate program in September;
- Students are not eligible to take any courses or use of other facilities such as the athletics centre at University of Toronto.
- Students are not eligible of any dental or medical benefit.

Please submit form by April 15 to the Graduate Office.
